This is the 1978 edition of the Beekmantown Central School yearbook. Published each June, the book is a picture story of the people and events of the school year. This book was designed, edited, and paid for by the students of Beekmantown Central School. Photography is by the Varden Studios, Albany, N.Y.; also Michael Landry, Paul Perez, and Dennis Hulbert. Special thanks to Dennis Hulbert for his darkroom services when pictures were needed "right away". The 1978 CREST was published in Topeka, Kansas by Josten's American Yearbook Company. The press run for this volume is 670.

ACADEMICS

Paula, I hope you enjoyed your seventh grade year. May best to way. Love, Miss Caswell

Beekmantown's academic program is based on the assumption that students have a variety of needs. While emphasis is placed on the "basics" — English, Science, Mathematics and Social Studies — many courses are also available to meet special interests. All are designed to educate the student, to help him to train his mind to prepare him for his future.

Mr. Walter, Principal

"What can I do?" is a question asked by almost every high school student. Whether his question concerns a problem, his future, or his health, the people on these pages are always willing to help. The counseling and assistance they provide are remembered and appreciated by every student who has walked through their door.

Of all the courses offered in junior and senior high school, social studies is one of the most important. An understanding of the concepts involved in the various social studies can promote a healthier society. Each student is required to take four years of courses in this department.

The social studies program offers an impressive list of courses. Basic to the curriculum are Afro/Asian Culture Study, World History, and American Studies. In the senior year many electives are offered. These include American Political Behavior, Canadian Studies, Decision Making, Consumer Economics, Sociology, and Behavioral Science.

Though the required social studies courses are seldom at the top of most student's list of favorites, the electives provide many opportunities for special speakers, movies, and field trips. These provide the students with first-hand experiences that are educational, and enjoyable as well.

Command of the English Language is essential to everyday communication. The English program is geared to develop this skill by establishing in the students a basic knowledge of vocabulary and grammar. The faculty of this department do their best to insure that by the time he graduates, Johnny can not only read, but write and speak, as well!

The special areas are an integral part of the educational program at BCS. Aside from learning the traditional subjects, students are given the opportunity to participate in courses designed to develop special talents.

Basically, these courses are divided into areas of Physical Education, Industrial Arts, Business, Foreign Language, Home Economics, Music, and Art. Despite the array of individual interests and tastes found in the student body at Beekmantown, this variety of courses offers something for everyone.

A fundamental knowledge of scientific concepts can add interesting perspective to everyone's life. The various electives offered by the Science department give students a chance to concentrate on specific areas of interest and to understand the mysterious concepts of our natural environment. Whether your interest is in rock-collecting or star-seeking, you can find a challenging science course among the offerings at Beekmantown.

The Math teachers at Beekmantown are always ready to try a new approach. This year the "Digitors" in the Media Center added a new dimension to Mathematics. Previously blackboards and textbooks were about the only way to learn, but now students can use the "Digitors" too. In fact they're so popular that many students have to wait in line to use one.

ACTIVITIES

Because of split session, students in Beekmantown fail to enjoy many clubs. However, with an active Student Council a talented staff on yearbook, F.H.A. and B.O.S.C. and the largest National Honor Society in years, some activities do go on.

This was one of the most active Student Council in recent memory. Two major weekends, Homecoming and Winter Weekend, had wide student support. The "Star Wars" homecoming parade produced many complex and imaginative floats. "The Greatest Show on Earth" came to Beekmantown in February as theme for this year's window paintings and snow sculptures. The Council was active in other areas. Almost three thousand dollars was raised by middle-school participants in this year's Student Council sponsored magazine drive. Seniors on the Council headed an effort that was successful in reviving the "Senior Room" in the cafeteria, and members of the Council gained input into the school's policy-making process at the request of Mr. Walter. This year's president was senior Bruce Carlin. Council members are pictured on these pages. Mr. Sherman is faculty advisor.

CLOCK-WISE: Junior snow sculpture, special sculpture by Nick Korths, game of chance by the freshman class, the winning senior window painting, eighth grade booth and the sophomore's snow tiger, the second place winner in the sculpture contest.

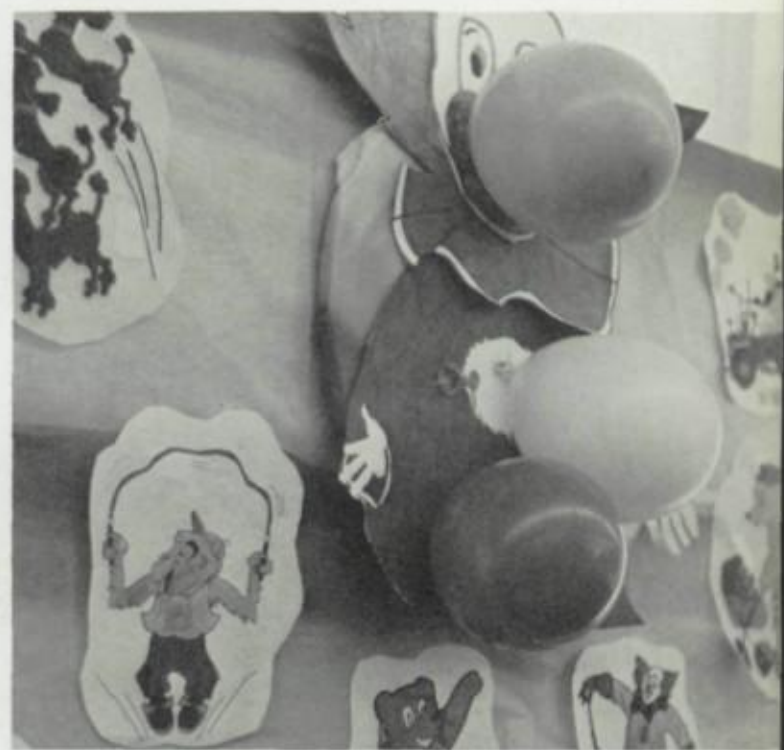

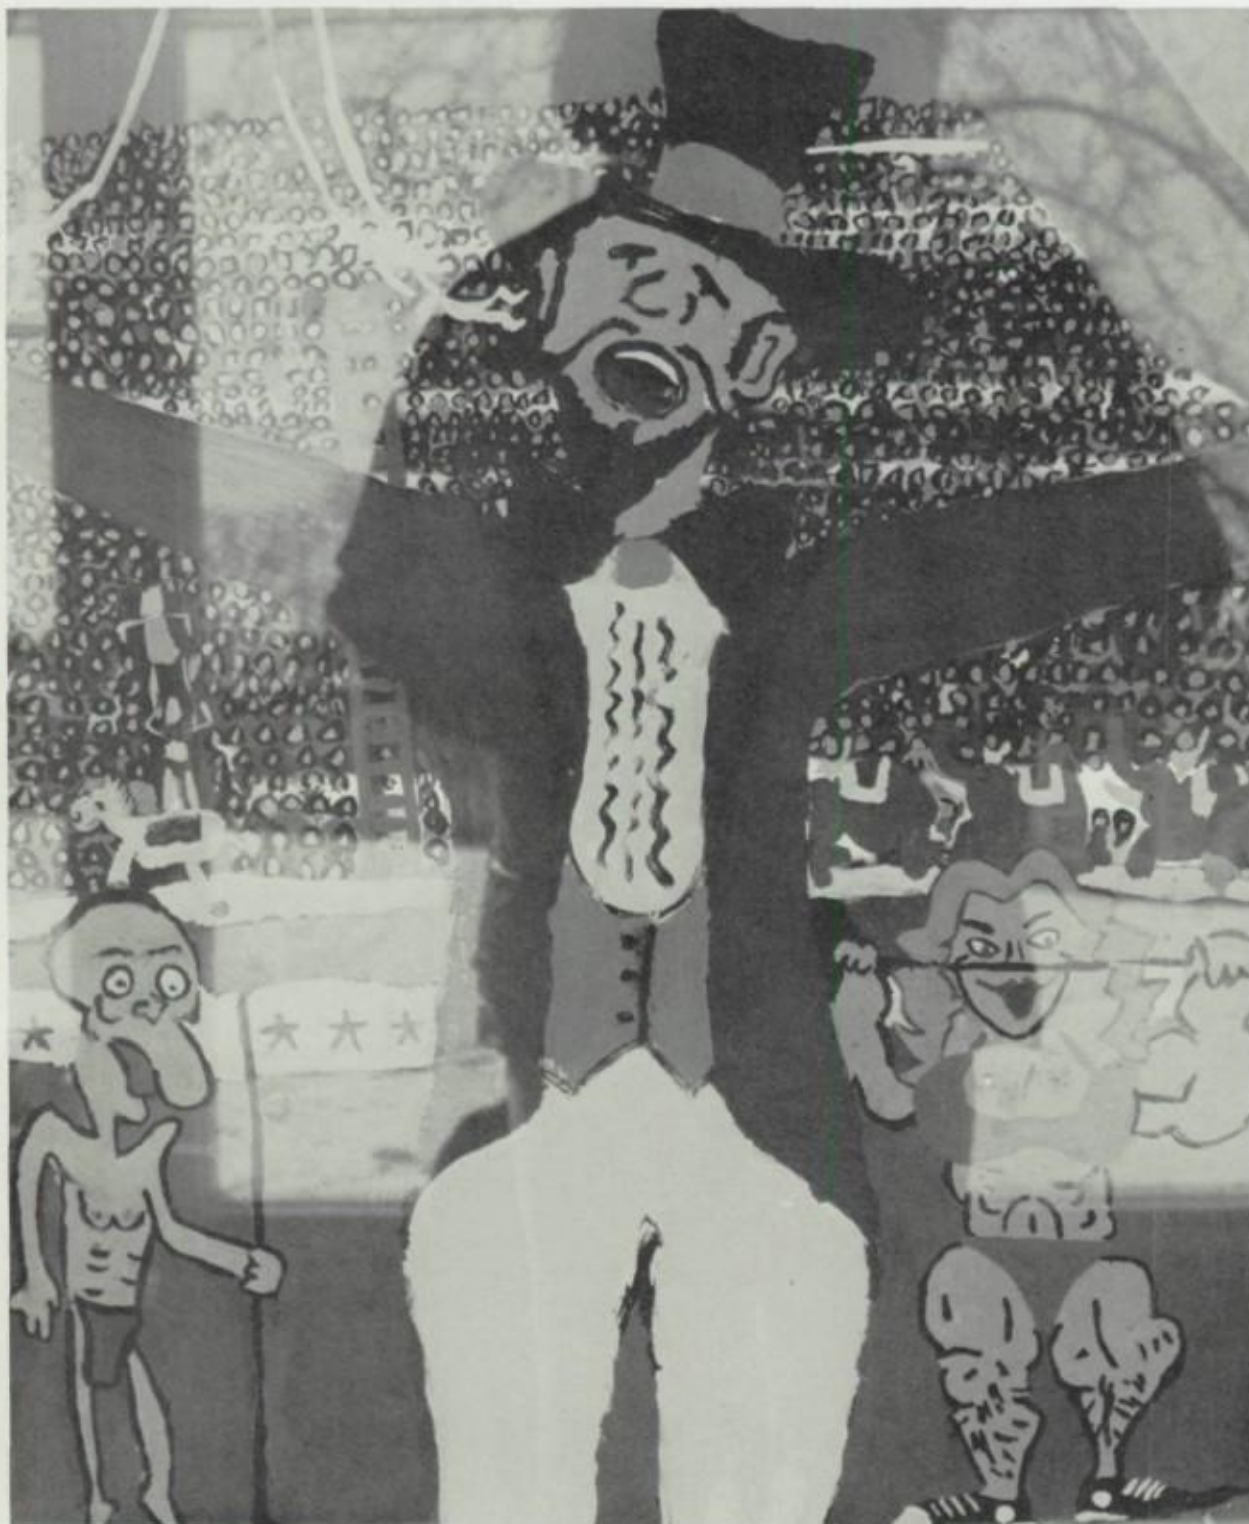

"The Greatest Show on Earth" was chosen as the theme for the 1978 Winter Weekend. The windows of the cafeteria were decorated with brightly colored window paintings done by the classes. The Senior window, a collage of intricate cartoons, was judged the best of the seven paintings.

There was also competition in snow sculpture building. A circus seal, constructed by the seventh grade took top honors.

For the second year in a row, Donald St. Dennis won the marshmallow eating contest. Don downed sixty marshmallows in three minutes!

In the volleyball tournament the Junior class team triumphed. There

THE GREATEST SHOW ON EARTH

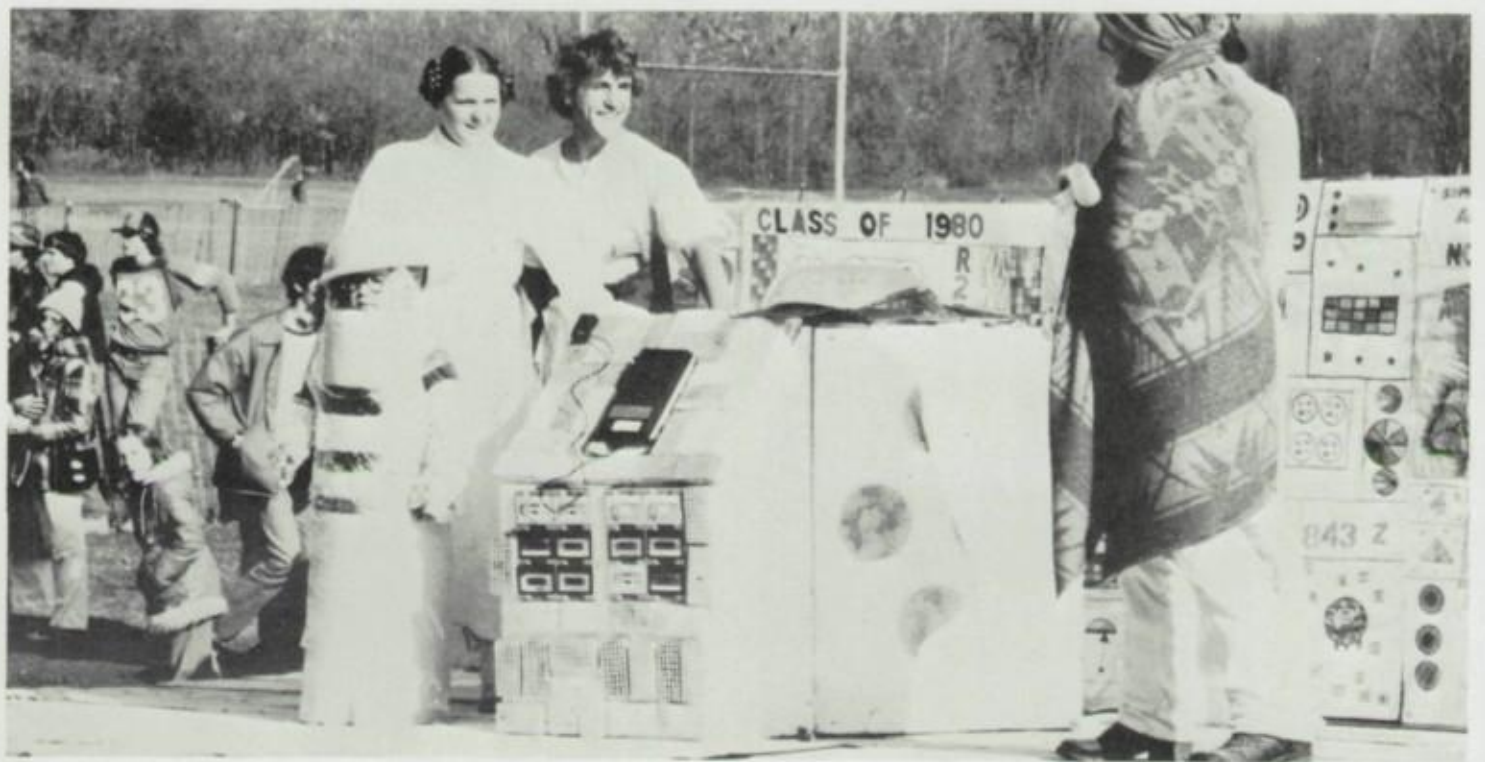

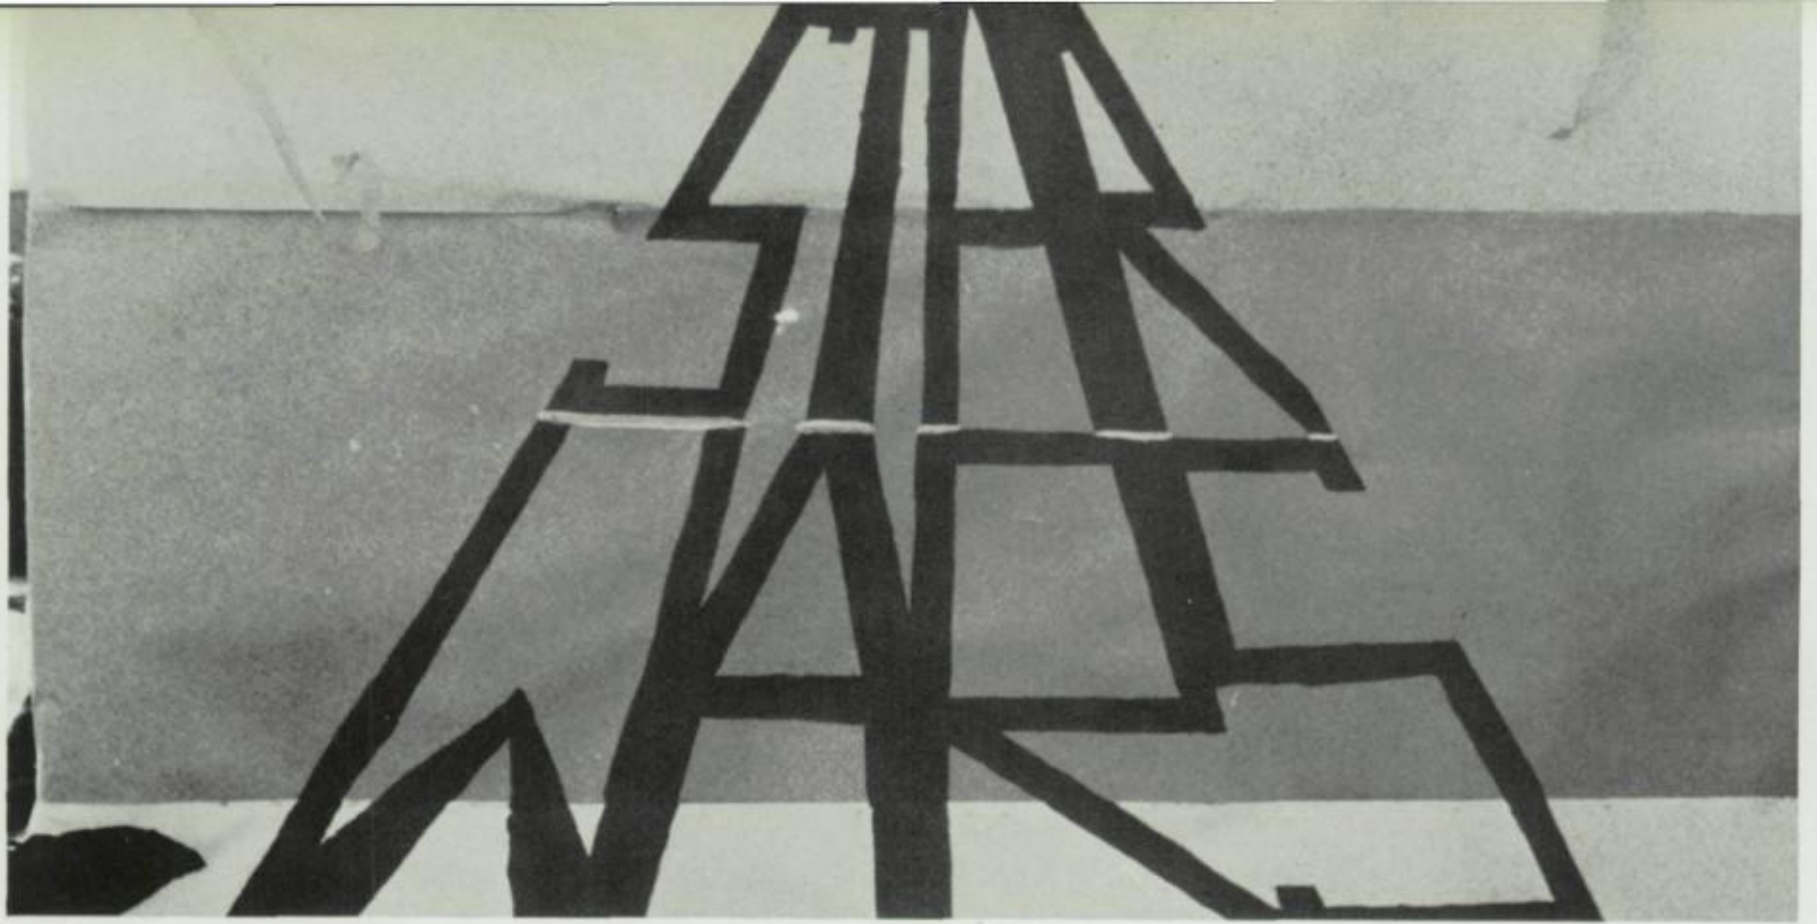

were other events held such as a tug'o'war, a hoop shoot and a snowball throw.

After all the results had been tallied, the Junior class was declared the winner. Second place honors went to the Seniors, who were followed closely by the Sophomores. The seventh grade was fourth.

Saturday night, a semi-formal dance was held featuring the band "Progression." Jeff Rigsbee and Wendy Nichols were named King and Queen of Winter Weekend and a special "slow dance" was played in their honor.

Most people seemed to agree that this was the best Winter Weekend that BCS has ever had.

In recognition of the smash picture "Star Wars", Student Council decided to expand its popularity even more by using it as the theme for this year's Homecoming, held October 21 and 22.

While enjoying the defeat of the Ticonderoga Sentinels 26-0, Eagle fans were treated to a medley of class floats parading around the field at half-time. The Sophomore Class was awarded first place, followed by the Senior, Junior and Freshman Classes.

The announcement of the Homecoming Queen was kept secret until the dance Saturday night, when Wendy Nichols recieved the honor. Senior Michelle Bernard and Juniors Beverly Bushey, Terri Fish, and Shauna Casey were named to the Court.

This year, out of thirty-eight applicants, eleven Beekmantown students qualified to receive Regents scholarship awards. Three students achieved scores high enough to be named alternates.

In the past, a special Regents scholarship exam was administered. This year, the competition was based on the student's performance on the SAT and/or ACT examinations. Due to the confusion caused by the new policy, the announcement of the awards wasn't made until mid-March.

1978 NATIONAL HONOR SOCIETY

In 1977 the Applegarth Chapter of the National Honor Society inducted twenty-four members — the largest number in its nineteen year history. Activities got started this fall with the election of new officers. Cheryl Seabron was elected President, Janet Rascoe Vice President, and Debbie Slaughter, Secretary/Treasurer.

The Annual Spaghetti Dinner was held in December. Each member had an opportunity to try his hand at setting tables, waiting on patrons and washing dishes. It was fun, as well as profitable. The profits went into the activity treasury.

Cheryl Seabron and Bruce Carlin were nominated for National Honor Society Scholarships by their fellow members. The members of this organization are selected each year by the faculty for their Scholarship, Leadership, Service, and Character.

CAROLYN GOLDEN NAMED 1978 NORTH COUNTRY SCHOLAR

In 1977, Carolyn Golden was chosen a "North Country Scholar." Each year, top North Country students compete for scholarships to Saint Lawrence University based on their academic achievement.

This year, Carolyn was one of fifteen students, selected from a field of sixty-six nominees, to receive the scholarship. She deserves congratulations for this very special academic achievement.

She will begin her freshman year at St. Lawrence in the fall majoring in Liberal Arts.

The yearbook staff began planning the 1978 CREST a year ago before last year's book arrived from the publisher. An effort was made to give the book a fresh face with different organization, layout, and some special printing effects. This year's editor was Bruce Carlin. Carolyn Golden and Andrea Gluck were the copy editors. Cheryl Seabron and Patty Reyell were in charge of the sales and advertising staffs responsible for selling almost seven hundred book orders and four hundred dollars worth of advertising.

Band

"Music is a world within itself, it's a language we all understand."
-Stevie Wonder

It's true that music is very much a part of our lives. In band, students learn not only how to play music, but to appreciate all the hard work and determination it takes to become a musician. Under the direction of Mr. Benjamin Davies, this year's band worked as hard as ever promoting school spirit at football games, adding to the Christmas spirit with traditional and new Yuletide sounds, and acknowledging the arrival of spring with the annual spring concert.

FUTURE HOMEMAKERS

The Future Homemakers of America is a club made up of students who have taken home economics and who are interested in the life they will eventually lead as homemakers.

This year, the president of the FHA was Tammy Bousquet and their advisor was Mrs. Dominy.

F.H.A.: Betty Clinebell, Tammy Bousquet, Cheryl Snide, Helen Trudeau, Gert Covell, Vicki Burkett, Wanda Carter, Tammy Carter, Nancy Rousell.

B.O.S.C.

The members of BOSC, the Beekmantown Outing and Ski Club, thoroughly enjoy hiking and alpine skiing. They have skied at Whiteface Mountain and Mount Van Hoevenberg. Mount Marcy, the highest peak in the state was the goal of the hiking club.

This year, the club's future was threatened when the Board of Education cut the program from the 1977-78 budget. But thanks to the perseverance of Mr. Davies, a modified program was carried out. The Booster Club sponsored fund raising activities for BOSC and the outing club also received support from the Student Council and parents. The possibility of adding cross-country skiing to BOSC is something to look forward to in the future.

Beekmantown's Senior Rock Chorus presently has twenty-five members and is still expanding. The talent and enthusiasm of these boys and girls is clearly displayed in their performances, which include both vocal music and "rock" instrumental background.

THE SENIOR CONCESSION

One privilege of the senior class is the senior concession stand. Seniors are allowed to sell refreshments at dances, sports events and other school activities in order to raise money for the senior class. Aside from being an excellent fund raising activity, the Senior Concession is fun for all involved.

"EAGLE'S VIEW" RETURNS

Eagles View Staff: Patty Reyell, Editor Donna Baker, Peggy Varin, Arlene Reyell

This year with the help of Student Council, the EAGLE'S VIEW is being produced at Beekmantown.

This is the first year for the Student Council Newsletter. Although it had a shaky start, the Newsletter improved with each issue as the staff became more adjusted to their tasks.

Although the Newsletter is sponsored by the Student Council, its reporters cover all student activities, interests, and opinions.

Be glad that you are you
And I'll be glad I'm me
Just look around and you will see that people
will like you for ~~yourself~~ what you are
and not what you pretend to be!!!

That was just a small word from the wise
Now here's a small word from your friend -

Grrreat Luck in the future!!!

MIDDLE SCHOOL

Love
Kim Norris
#

Through the years, the seventh and eighth grades have been associated with neither the elementary nor the high school. Classified as the middle school they have remained in the background.

This year, with their determination, and the help of Miss Boswell, these students have gained a more significant role as students in Beekmantown.

Activity periods were set up so that the students could organize clubs, and produce their own newspaper. They have become active participants in the Student Council and are gaining a greater understanding of high school and making their presence felt in a more meaningful way.

SPORTS

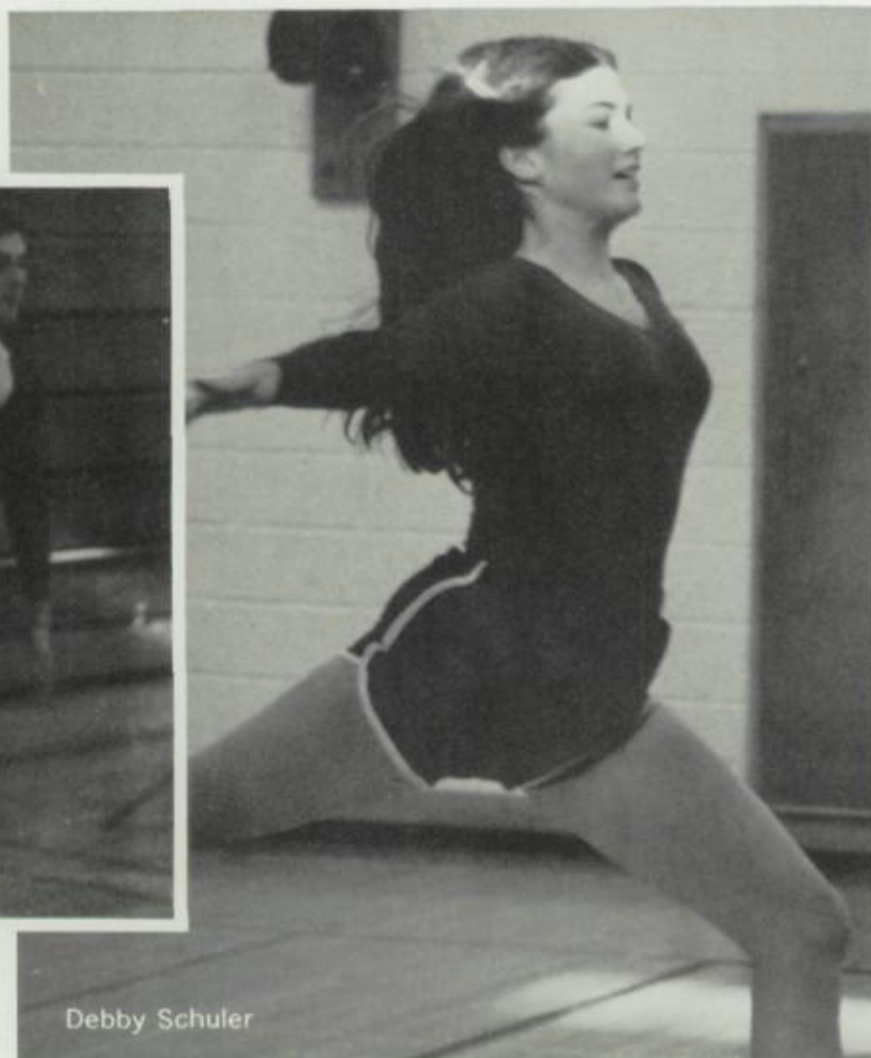

Eagle teams had their problems this year, but that didn't put a damper on their spirit. Though they weren't always on top in the standings, they always came out first in spirit, sportsmanship and endurance. With team members like ours, the strength of our "Eagle Pride" will always be superior.

Debby Schuler

Mr. Engelhardt gives some pointers to Sue Ashline

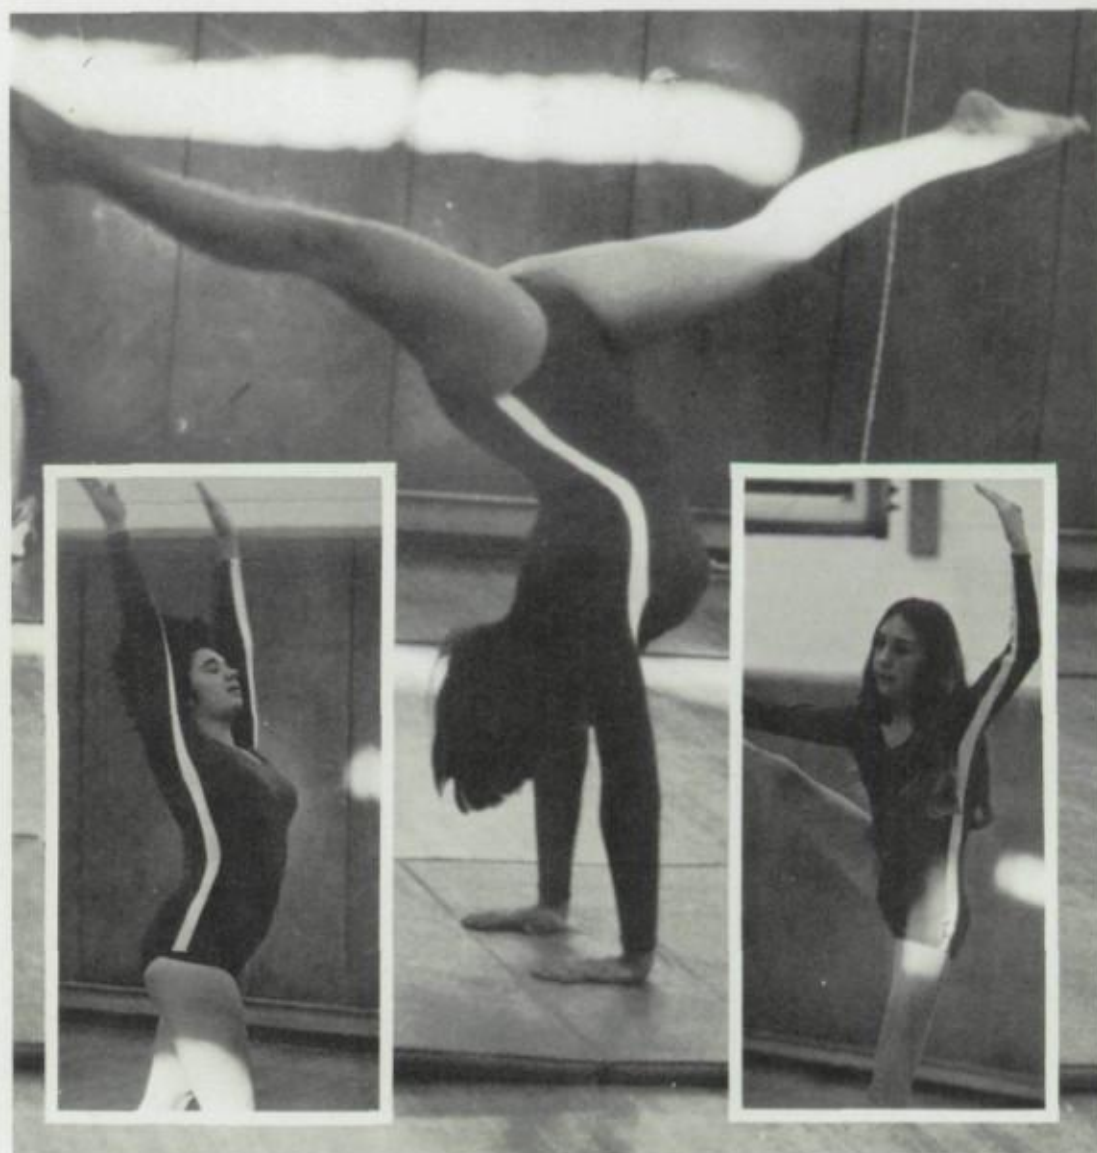

GYMNASTICS

This year, a competitive gymnastics team was formed from last year's gymnastics club. The girls worked hard in all areas, including the balance beam, uneven parallel bars, vaulting horse and floor exercise. They encountered stiff competition from the other teams, each of which were more experienced than Beekmantown's.

Sue Ashline and Terry Goslow were the only two seniors on the team. According to Mrs. Lunn, their coach, Christie Casey was the best all-around gymnast.

As the team gains experience they will soon join the ranks of the winning and competitive teams from "Eagle Country."

CROSS COUNTRY TEAM FINISHES THIRD

The Cross Country team finished the season third in the league standings. The top runners were Sue Blow, Barb Culley, and Sandi Leege for the girls; Kyle Infante, Alan Aguglia and Tim Gero for the boys.

At the 1977 Sectionals the team finished in third place, and ten runners were selected to attend the state meet in Malone. Kyle Infante's effort that day earned him 82nd place in a field of 256 runners.

The Varsity Football team finished its season with a 3-5 record. After three straight championships, the loss of several key players through graduation forced a major rebuilding effort.

The Eagles were a young team, with many outstanding junior players. Sophomore Roger Desroches led the team in scoring with ten touchdowns. Brian Foster, Tim Rock and Mike Barber also had outstanding seasons.

Beekmantown had "quarterback confusion" this year. First, the leading candidate for first string, Jeff Snyder, transferred

out of the area. Then, early in the season, Junior George Dye cracked his collar bone. Taking his place, Senior Mike Rabideau and Junior Jim Sears alternated in the QB spot.

The loyal fans of Beekmantown may have been disappointed in the year's outcome, but are looking forward to next season. Senior standouts Rick "Foggy" Foster, Rodney Gregoire, Mike Rabideau, Albert LaVigne and Dave Debyah will be missed. The team may not be the '77 Champions, but the enthusiasm, leadership and perseverance of the players will be remembered for a long time.

The Junior Varsity team had it's three year winning streak snapped this year. The boys lost key games to Plattsburgh and Saranac, but beat everyone else in the league giving them a 6-2 record for the season.

Sophomore Tom Botten was the team's leading scorer. Linebacker Mike Gregoire also did an outstanding job, and was promoted to the Varsity team during the season. Coach Mousseau felt that the team lost a top-notch player when John Seabron was injured early in the season.

Though many of the players will be on the Varsity team next year, we should have a strong JV team once again. Then they can get started on their own win streak.

JUNIOR VARSITY FIELD HOCKEY

This year the Junior Varsity Field Hockey team won the league championship for the third consecutive season. With a 6-1 record the J.V.'s had a great year. Goalie Arleen Reyell, supported by a strong defense, had seven shut-outs, including the championship game. Sophomore Jan Traynor led the team in scoring. This year Freshman fullback Karen Howell scored a first at Beekmantown. She was the first Beekmantown fullback ever to score a goal! Once again, the girls at Beekmantown proved what a field hockey powerhouse we are!

PUSH! DRIVE! SCOOP! SCORE! The Varsity Field Hockey team scored high with a 4-1-3 record under the fine coaching of Mrs. Santamore. With such top notch players as Donna Gallagher, Lisa Brown and Beverly Bushey and a top goalie like Laurie Nephew they couldn't help but win. The girls' efforts brought them all the way to the quarter finals where they were defeated by Plattsburgh High in "penetration time." PHS went on to take the league championship. It takes skill, determination and super players to build a team as powerful as this one.

Basketball Cheerleaders

The Beekmantown cheerleaders try hard to instill school spirit for the teams at Beekmantown. Under the guidance of Mrs. Brogowski and Mrs. Lunn they conducted both a fall and a winter pep rally. For the first time, Beekmantown had separate Varsity cheering squads for football and basketball.

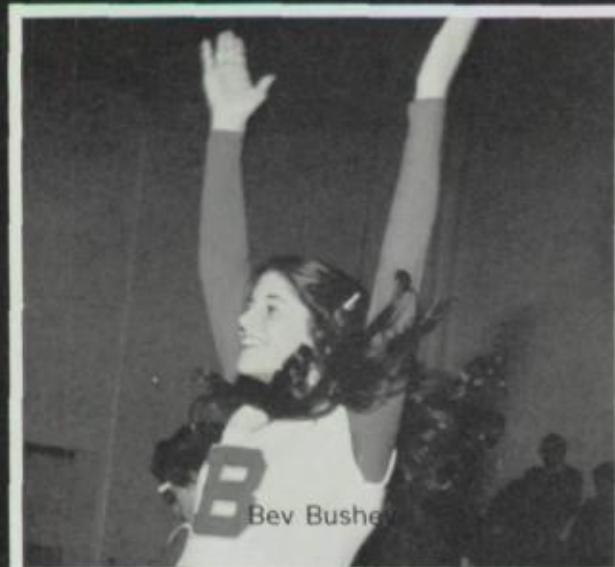

The cheerleaders showed their creativity and talent with their pom-pom routine which they performed at the half-time intermissions of the Varsity basketball games. A combination of dance and cheering, it was done to the song "Night Fever" from the motion picture "Saturday Night Fever."

The girls also provided decorations for the Booster Club's Winter Sports Banquet. Seniors cheering for their last year are Michelle Bernard, Lisa Brown, and Wendy Nichols.

BASKETBALL TEAM FINISHES ITS SEASON WITH A 6-8 RECORD

The 1977-1978 Varsity Basketball team finished the season with a 6-8 record. The team was young, with ten juniors and only four seniors. Only Tom Renadette, Jon Denny, Dan Bijeau, Mark Dupell and Tim Rock had previous Varsity experience.

The team had very close games with both St. John's and Plattsburgh High School. The Eagles revenged a three point loss to the Irish with a late season six point win on the home court.

Towering over their teammates, and many of their opponents, Scott Wilfore and Tim Rock led the team in scoring. Team Co-captains were Tom Renadette and Tim Rock.

JUNIOR VARSITY IS 6-9 IN SEASON PLAY

The Junior Varsity ended their regular season play with a 6-9 record. Throughout the year the boys provided much excitement and enjoyment for all of their fans. But as important as their won-lost record is the development that takes place in each player as he sets his sights on a Varsity position. The Junior Varsity coaches work hard with their players to further develop those skills that will help each player reach his fullest potential and provide Beekmantown with a strong Varsity team.

SKATERS HAVE ROUGH SEASON IN 1978 PLAY

The Hockey team had a rough season this year. Despite the efforts of defenseman Charles Hagar and goalies Mike Higgins and Mark Turner, the team finished the season with a disappointing 5-1-12 record.

The Eagles' Mike Crimi, Dale Rahn and Jerry Coupal were among the league's top ten scorer's. In their only game of the sectionals, against Northeast Clinton, the Eagles found themselves in perhaps the hardest fought game of the season, but lost 3-1.

GIRL'S BASKETBALL

As the 1978 Crest went to the publisher in March, the girls JV basketball team looked very strong. With Lisa Wilfore's strong scoring and a very strong defense led by Lisa Light, the girls had a 7-2 record by March 1. Though the team will be losing many sophomores, the JV team next year should keep up the fine showing. However, the JV's loss is the Varsity's gain. We look forward to a winning season next year.

More than halfway through their season, the Varsity Girls Basketball team is showing their winning style. As this is written they have seven wins and four losses in league competition. Their losses have all been in very competitive games settled by very small margins.

Mrs. Denny, Beekmantown's coach, places a great deal of emphasis on teamwork. Early in the season, no one girl dominated the scoring.

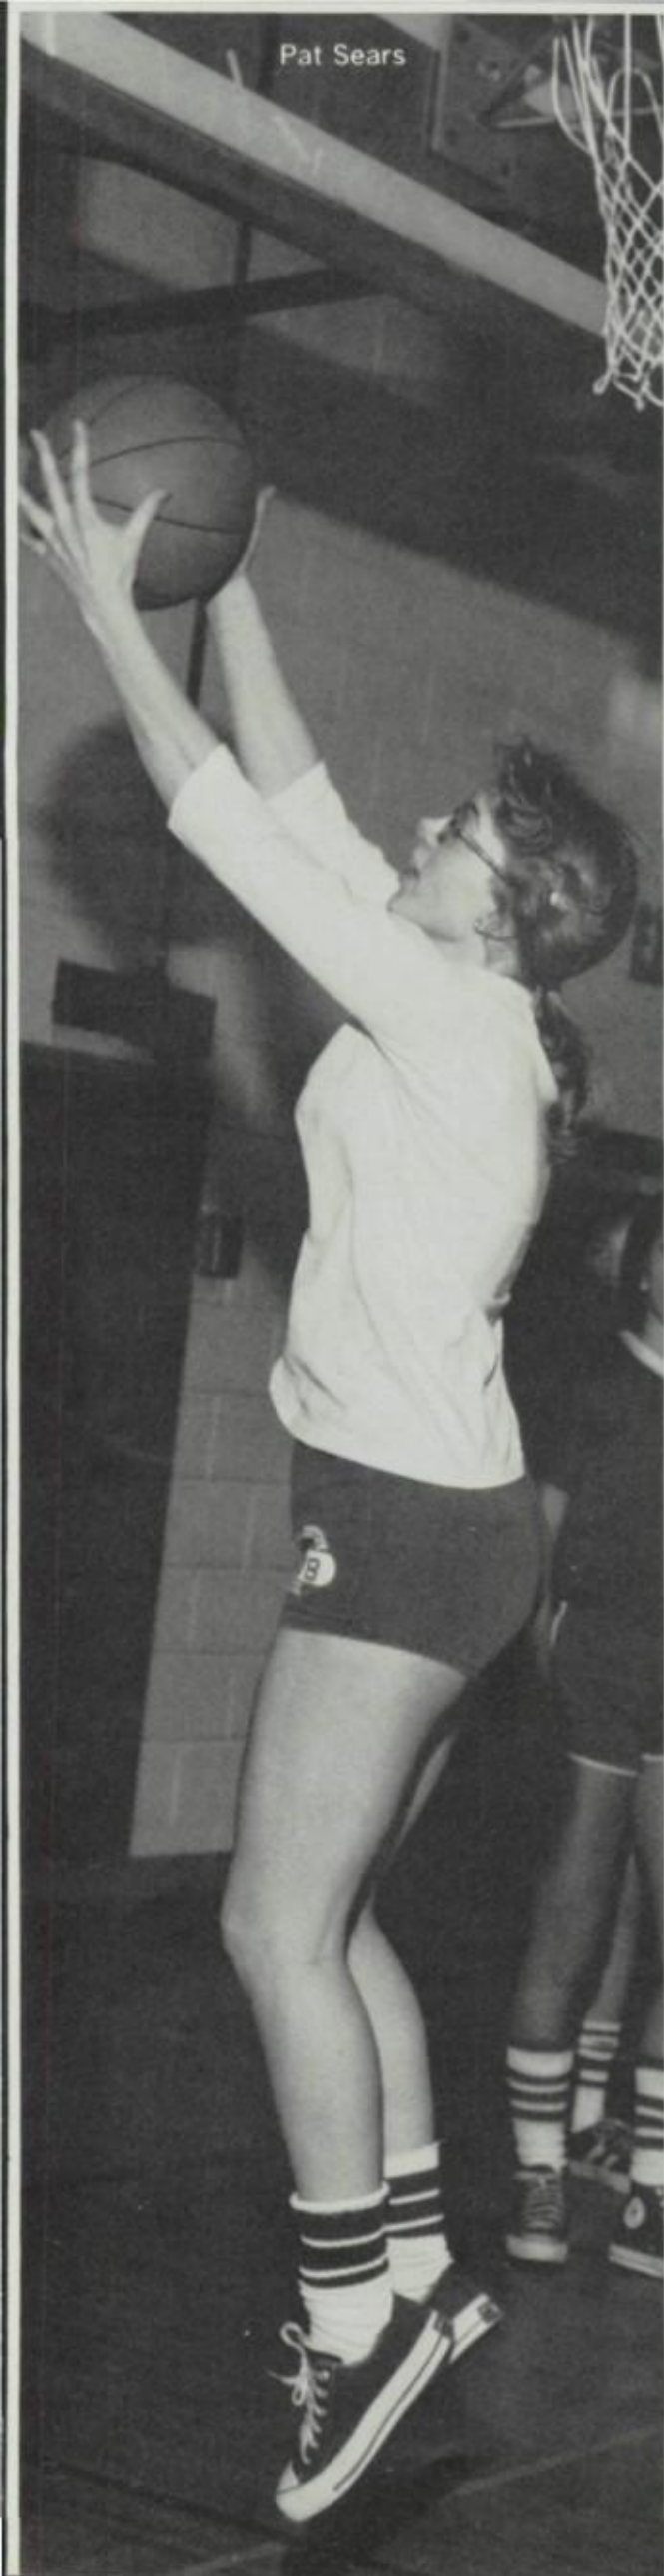

Seniors playing in their last year were Pat Sears, Cathy Dumas, Sandi Leege, Diane Willett and Pam Marcil.

WRESTLERS SHINE AT THE SECTIONALS

Beekmantown's wrestlers had an excellent season this year, with a 5-5 league record and a third place finish in the Sectional meet.

The team was especially strong in the heavyweight classes. Bob Burnell won the Sectional title in the 215 class and Albert LaVigne was, for the third year, the 250-pound class champion.

Also in the sectionals, Mike Barber won a decision in his class and finished second in the meet. Craig Daniels, Todd Derocher, Todd Deyo, Terry James and Steve Sherman also made fine showings.

Coach Mousseau has done a good job in building up a team, and has high hopes for next year.

1978 VOLLEYBALL

The Varsity Volleyball team racked up an impressive record in the early weeks of the season but must have peaked too soon. Their record during the second half was disappointing by comparison, and the team finished with a four and eight record. Rhonda Covey was the year's high scorer.

The JV team had a 5-7 record for the season. Lisa Light had an outstanding season, and Mary Hutchins was high scorer.

BOWLING

Beekmantown's Bowling team maintained its traditional status with a fine 1978 season. In the sectional championships, the boys won their match by 109 pins. The girls gave Peru a challenge, but lost by 32 pins. Nine team members were selected in March to attend the state meet held in Syracuse, New York. They were John Metzger, Tim Rock, Bob Munson, Jim Brown, Mike Turnbull, Barb Haggett, Lisa Emery, Joann Howard and Linda Smith.

VARSITY BASEBALL TEAM FINISHES 1977 SEASON WITH A 6-4 RECORD

For the year of 1976-77, the Varsity Baseball team ended its season with a 6-4 record. The seniors who graduated were Lee Brown, Greg Caron, Jogn Dame and Rob Rabideau. Lee Brown led the team in batting and was one of the top outfielders in the league. This year, a fine team should be back and much help is expected from last years' JV team. With the help of Coach Jodoin we are sure this team will be tops.

J.V. BASEBALL: A THREE-WAY TIE FOR FIRST PLACE

This year the Junior Varsity baseball team, coached by Mr. Carter, tied with MAI and PHS for first place during the regular season. Their record for the year was 7 wins and 4 losses. In the play-offs for first place in the Northern Division they played two games on the same day. Victorious over MAI, the Little Eagles went on to meet PHS. Although they had beaten Plattsburgh twice during the regular season they dropped a close game by a 43 score.

Outstanding players this year were Ron Boire, Joe Corron, Art Garrand, Jimmy Garrant and John Luck.

TRACK

This year the Girls Track team had four weekday meets. Coached by Mrs. Brogowski, the girls consistently finished in the top three teams and had many individual winners. Julie Brault, who graduated last June, was one of the best 220 runners in both the league and the section and anchored the 440 and 880 relay teams. Beekmantown had 2 Section Seven champions; Carla Sherman in the mile run and Sandi Leege in the two mile run.

The most important meets of the season were the League championships in Ticonderoga and the Section championships at Plattsburgh State University College. At the Section championships Julie Brault, Sandi Leege and Carla Sherman qualified for the State Intersectional Meet at Morrisville.

SENIOR HIGH

"Early to bed, early to rise" makes a Beekmantown student alert and wise. Once again, half-day sessions forced the opening of school in the wee hours of the morning. Once again, the morning sessions were lengthened slightly but this year the day started a half hour later giving everyone more time to sleep.

This year BOCES has a total of 70 participants from the Beekmantown district. The courses offered in BOCES are designed to educate the students in special areas such as auto mechanics, cosmetology, and printing. The BOCES program has been successful over the years in helping prepare students for their chosen vocations. The advantage of BOCES is that it offers students the opportunity of preparing themselves for a career while attending high school.

SENIORS

CLASS OF 1978

The class of 1978 will long be remembered for their energy and undying will to keep on going when the going got tough. Through the football season and the basketball season, Beekmantown's senior class was always there to cheer the eagles on.

Beekmantown's senior class is graduating with a "North Country Scholar," Carolyn Golden. This award hasn't been presented to Beekmantown in years. The senior class is also the 1st class to graduate that went through 7th, 8th, 9th, 10th, 11th, and 12th grade entirely on split session.

PROM

"There never seems to be enough time to do the things you want to do once you find them ..."

The combination of tedious work and cooperation that went into the preparation of last year's Junior Prom was certainly well worth the effort. Decorated to the theme, "Time in a Bottle," the Elk's Club provided a romantic atmosphere, where everyone danced to the music provided by "Solar Energy." Held on May 21, the unusually warm and summery May night added to everyone's enthusiasm, and enabled the fun to extend far beyond the twilight hours.

Rodney Gregoire and Sandi Leege were paid their proper royal respects as they were crowned King and Queen, while Bill Maxwell and Wendy Nichols humbly accepted the honor of being chosen prince and princess. The Class of 1978 is unique in that it has the first court boasting of 26 members, which is unquestionably a reflection on the class itself. Congratulations to everyone for a very successful and memorable event.

What happens when a mysterious phantom disrupts the solitude of Shropshire Manor and poses as a threat to the heiress of the Shropshire fortune? To solve the case of the mysterious phantom, the best-known detectives are called in --Kojacket, Charlie's Devils, Borotta, and Able, a Sung Ku fanatic. This craziness was the 1978 Senior Play, presented March 17th and 18th before the biggest and most enthusiastic audience ever. Special recognition goes to Mr. Waugh, who was faculty advisor and director of the production.

CAST OF CHARACTERS, shown right: Jive Eddie, Jim Grose; Ballerina, Terry Goslow; Aristotle, Jerry Rigsbee; Cracker, Harold Stoner; Kojacket, Mike Landry; Sorbina, Sue Hipko; Nellie, Angela Wood; Dill, Carolyn Golden; Natasha, Debbie Slaughter; Noborinski, Pat Reyell; Kane, Sang Hon Yi; Able, Lisa Brown; young girl, Brenda Godfrey; Borrota, Rodney Gregoire; Marie Shropshire, Linda Burnell; Abigail, Donna Baker; David James, Mike Rabideau; Tony, Allen Schawe; Vivian, Wend Nichols; Arthur, Mark Dubrey; Kathryn, Michele Bernard; Chives, Paul Perez; Constable Danner, Bruce Carlin; Hortense, Barb Culley; policeman, Charlie Forgette.

THE PRIME TIME CRIME

MEMORIAM

LynJon "Denny" Delcore

Physically, Denny Delcore is not with us this year, and will not be participating in our graduation in June, but his spirit and personality undoubtedly lingers in the minds of those who knew him.

Denny was a warm and sensitive person, who was more interested in giving help to others than in receiving it. His participation in class government, help with winter weekend activities and help in organizing dances reminds us all of Denny's unselfish efforts to see our class at the top. His contributions are greatly appreciated.

This poem that I am writing
is about someone so dear
we wish that right now
he was very near.

We all know he's gone
but deep within our hearts
the friendship we had
brings memories that never part.

He was a person
with problems hard to solve
just getting over one,
then another one evolved.

He was always here
right by our sides
he was someone to remember
who gave us much pride

Pride to know someone
who seemed full of fun inside
but he hid his problems
until the day he died.

He meant a lot to us
though we didn't let it show
at least not until
we had to let him go.

We think about it now
just as it was yesterday
it doesn't seem possible
he's not with us here today.

He was such a gentle person
with sweet things to say
we'll always remember him
even when we're old and gray

Now he's gone
his memories still here
and deep in our hearts
his mind and soul are near.

Everyone knows who he was
he died before school was out
now we should smile for him
not sit and pout.

His name was "Lyndon Delcore"
but everyone called him Denny
he is someone to remember
and his friends weren't few, they were many
